

A number of Notices and Consents are required to allow your minor student to use online services such as Google G Suits for Education and visual/audio conferencing services such as Zoom and Microsoft Teams. These services are required for distance learning and also allow the student to access recorded classroom and educational sessions. The Notices and Service provider FAQs related to data collected by these types of service providers are contained in Distance Learning Section of this Handbook.

By signing below, you indicate that you have received, reviewed, understand, and accept the Family Handbook.

By signing to accept the Handbook, you specifically acknowledge that you have reviewed the Google Notice, the Visual/Audio Conferencing Notice and related materials and understand and consent to allow your student to use these services. You further acknowledge and agree that the use of the services is a requirement for distance learning and that your student may not adequately participate in any distance learning, including the distance learning scheduled for all students including those enrolled for traditional on site classes during any Great Hearts or state directed school closure, without use of these services.
