

SPINAL SCREENING EXEMPTION

(Return form to teacher only if you are claiming exemption.)

I, _____, understand that Texas law requires all public and
(Parent or Guardian)
Private schools to screen students for abnormal spinal curvature in accordance with the following
schedule:

- Girls will be screened two times; once at age 10 and once at age 12 (during 5th and 7th grades).
- Boys will be screened one time at age 13 or 14 (during 8th grade).

I ask that _____ not be screened because of our religious
(Name of Student)
beliefs.
