

Prom Dress Guide

Great Hearts Live Oak

Please keep in mind that this guide is illustrative, not exhaustive.

Length & Shape: Ladies are expected to wear tea-length (mid-calf) or full-length gowns. If your gown has a slit in the hemline, it must not go higher than just above the knee. Dresses should not be tight or form-fitting from top-to-bottom, such as mermaid, trumpet, and some sheath styles.

Acceptable: (Lengths or Shapes)

Unacceptable: (Lengths or shapes)

Details: Material must cross the collarbone or shoulder to support the dress. Thin-strap and spaghetti-strap gowns are permitted; however, straps are required and gowns should not be 'revealing' or low-cut in the front. In the back, the gown must come up to the bottom of shoulder blades. Bare midriffs, bare backs (below the bottom of the shoulder blades), and any other "holes" in the gown are not permitted. Sheer or "see-through" fabric over any part of the body required to be covered (midriff, lower back, etc.) is not permitted.

*Please note that the pictures are not exhaustive. Any lady may have her attire approved in advance by emailing two images of themselves with the attire on from both the front and the back to Mrs. Taylor. This is an optional step.
